Holiday Apartments in Historical Mill

3 modern and completely renovated holiday apartments of different size look forward to your visit in a beautiful romantic mill.

Lots of green, creeks, a mill pond and old trees decorate the 1.5 hectare property.

The Village

The little village of Ougney lies at the feet of the Serre Mountain Range just between the two French Departments Jura and Cote d`Or/Burgundy. In Ougney there is a little restaurant under Swiss direction just some steps away from Mon Mounlin.

Region

Ougney is situated in the triangle of Dole-Besoncon-Dijon – just between the departments Jura and Cote d`Or.

The region Franche-Comté is said to be a one of the first ones offering green tourism and has – in 2002 - been voted as France`s region with the best quality of living The landscape is shaped by large forest areas, the clearest rivers of France and a vast amount of agriculture.

Holiday Appartments

We rent for a complete year and also per day (minimum stay 3 nights) .

After a thorough renovation and with respect to the keeping of the historic building substance we can now offer 3 holiday appartments of different size:
